Did you know that organic sugar is one of the best things you can use on your skin? The reason is that sugar acts as a natural humectant, literally pulling moisture back into the skin. So in addition to giving our shaving soaps a wonderful caramel aroma and color, it also ensures that the skin on your face and body remains hydrated, super-soft and smooth. All-One!

Dr. Bronner's was founded in 1948 by Emanuel Bronner, a third generation soapmaker from a German-Jewish soapmaking family. He used the labels on his superb ecological soaps to spread his message that we must realize our transcendent unity across religious and ethnic divides or perish: "We Are All-One or None!" Emanuel Bronner passed away peacefully on March 7th of 1997. The business continues to be run by the Bronner family.
