Dr. Bronner's was founded in 1948 by Emanuel Bronner, a third generation master soapmaker from a German-Jewish soapmaking family. He used the labels on his superb ecological soaps to spread his message that we must leave our transcendent unity across religious and ethnic divides or perish. "We Are All-One or None!" Emanuel Bronner passed away peacefully on March 7, 1997. The business continues to be run by the Bronner Family.

Dr. Bronner's believes in running a business that is good for its employees, society and the planet. As well as funding Fair Trade projects, we dedicate a significant portion of our annual profits to funding positive social change. All full-time employees receive up to 25% of their salary as a bonus every year, get 15% of their salary as profit-sharing for retirement, and have 100% free health care for themselves and their families.
