In all we do, let us be generous, fair & loving to Spaceship Earth  
and all its inhabitants. FOR WE'RE ALL-ONE OR NONE! ALL-ONE!

Dr. Bronner's is a family business committed to making socially and environmentally responsible products of the highest quality while dedicating our profits to help make a better world. Recent causes we have supported include GMO labeling for food and the reintroduction of hemp farming to the U.S.

2 FL OZ / 59 mL

Our medical-grade alcohol comes from sugar cane farmed in the steep hills of Ecuador's Bolivar and Cotopaxi provinces. We partner there with the CADO cooperative, whose member farmers commit to organic farming practices and to stewardship of the local ecosystem. Maintaining and reestablishing the native forest is essential to both alcohol distillation and the integrity of the Andean foothills on which they depend.
