DR. BRONNER'S IS CERTIFIED

Dr. Bronner's was founded in 1948 by Emanuel Bronner, a third generation master soapmaker from a German-Jewish soapmaking family. He used the labels on his superb ecological soaps to spread his message that we must realize our transcendent unity across religions and ethnic divides or perish: "We are All-One or None!" Dr. Bronner's is committed to making socially and environmentally responsible products of the highest quality while dedicating our profits to help make a better world. Recent causes we have supported include GMO labeling for food and the reintroduction of hemp farming to the U.S. Thoughtful paper perches helps work relieve stress on our working forests. ALL-ONE!

A human being works hard to teach love his enemy, to help unite all mankind free, or that being is not yet Human: so, go the second mile, hold the other cheek, brave, not meek! Small minds decay! Average minds delay! Great minds teach All-One today! Win victory, and all stand by you: give up? All deny you! Remember, the only difference between the Brave and the Coward is the Brave has an ideal to fight for, such as teaching the Moral ABC, that at once unites the human race in All-One-God-Faith! As teach Abraham & Israel, inspired by the Messenger of God's Law, the sign of the Messiah, Halley's Comet, the blazing Star of Buddha-Bethlehem-Mohammed! "LISTEN CHILDREN ETERNAL FATHER ETERNALLY ONE!!!"
