

Absolute cleanliness is Godliness! Teach the Moral ABC that unites all mankind free, instantly 6 billion strong & we're All-One. "Listen Children Eternal Father Eternally One!"

I am the Son of God and so are you! I am the manifestation of God's Eternal Law & so are you! I have learned great wonders; you shall learn greater wonders! I have done good work! You shall do better work! I have not come to change God's Law, but we each came to find-follow-fulfill, print-protect-practice-preach-teach & enjoy it! Therefore, build you 1st the Kingdom of God's Eternal Law within you ... To never yield to half-true hate! And everything you need shall be added unto you! Search & you shall find! Knock & it shall be opened! Sow & you shall reap!

Education, thru millions of years of constructive evolution to every swallow-nightingale-beaver-bear-cat and man, meant basic training in absolute cleanliness, honesty, self-discipline, teamwork, love, individualism and absolute understanding of God's timing, God's power, God's Law and God's love. The highest point of our education was reached by the Essenes whose great teacher ... the great Rabbi Hillel taught "The Moral ABC of the Free, The Kingdom of God's Law, and The One-God-Faith-In-One-God-State" to the 12-year-old Jesus upon entering manhood.

Berlin Rabbi Barck teaches, 1945, how united only we survive. "The mark of the mature man is his ability to love and be loved, joyful, brave without feeling of guilt. We have learned to teach that or teach nothing! All else is unimportant! I thank you!" "We must teach friend & ENEMY how to unite all mankind free or perish! Beasts teach only friends!" Rabbi Liebman almost added in 1948.

ORGANIC HAIR CARE IN 3 EASY STEPS:

1. Shampoo with your favorite Dr. Bronner's soap. Our soaps clean hair well, but can leave it feeling tangly or dry.
2. Rinse with our Organic Hair Rinse for spectacular look & feel! Just stir 1-2 capfuls of this concentrated rinse into a cup of water, close your eyes and slowly pour over your hair, while massaging it in. Work through until hair feels sleek (~30 seconds). Rinse out well. Repeat if necessary in extra-hard water conditions or with longer hair.
3. After drying gently with a towel, massage Dr. Bronner's Organic Hair Crème into hair for added silkiness and softness.

Dr. Bronner's was founded in 1948 by Emanuel Bronner, a third generation master soapmaker from a German-Jewish soapmaking family. He used the labels on his superb ecological soaps to spread his message that we must realize our transcendent unity across religious and ethnic divides or perish: "We Are All-One or None!" Dr. Bronner's believes in running a business that is good for its employees, society and the planet. As well as funding Fair Trade projects, we dedicate a significant portion of our annual profits to funding positive social change. All full-time employees receive up to 25% of their salary as a bonus every year, get 15% of their salary as profit sharing for retirement, and have 100% free health care for themselves and their families.
