"The eye cannot say to the hand, 'I have no need of you,' nor again the head to the feet, 'I have no need of you.' On the contrary, the parts of the body which seem to be the weaker are indispensable, for the member suffers, all suffer." — 1 Corinthians 12:21-22, 26

"Doing well is the result of doing good...that is what Capitalism is all about." — Ralph Waldo Emerson "It is but equity...that they who feed, clothe and lodge the whole body of the people, labor have such a share of the produce of their own labor as to be themselves tolerably well fed, clothed and lodged." — Adam Smith "The most solid comfort...is the thought that the business of one's life is to help in some small way to reduce the sum of...degradation and misery on the face of this beautiful earth." — George Eliot "If you light a lamp for someone else, it will also brighten your path." — Buddha

Dr. Bronner's was founded in 1948 by Emanuel Bronner, a third generation German-Jewish soapmaker. He used the labels on his ecological soaps to spread his message that we must realize our transcendent unity across religious and ethnic divides or perish: "We are All-One or None!" The business continues to be run by his family.

**CORPORATE PROFITS SOAR,
WORKER WAGES STAGNATE**
Profits and productivity have soared for U.S. corporations, but most workers have not shared in those gains. On average, CEOs earn more than 895 times the pay of workers making the federal minimum wage. Total executive compensation at Dr. Bronner's is capped at 5 times that of our lowest paid employees. This hasn't hurt our bottom line—we are a growing, profitable business!

**COST OF LIVING IS HIGH,
WAGES ARE LOW**
Today's federal minimum wage of \$7.25 per hour is decades out of date—in terms of purchasing power, its value is 33% lower today than it was in 1968. In no state can a person working full-time at minimum wage afford a one-bedroom apartment at fair market rents.

Honest wage for honest work! Today's minimum wage is not enough to cover basic needs—housing-food-utilities-transport-healthcare. People who work 40 hours a week should be able to support their families and make ends meet! Fair pay is good for all!
Fair pay—good for communities! Improved employee stability—increased productivity—less strain on the social safety net. Invest! Invest! In social and economic progress!
Fair pay—good for business big & small! Rigorous studies show: no jobs lost! Workers earning more spend more—increasing consumer demand boosts the economy!

"Do not let any calamity-howl-ing executive with an income of \$1,000,000 a day, who has been turning his employees over to the Government relief rolls in order to preserve his company's undistributed reserves, tell you—using his stockholders' money to pay the postage for his personal opinions—that a wage of \$1,000 a week is going to have a disastrous effect on all American industry." —Franklin D. Roosevelt, 1938
As taught by The Moral ABC, the real Rabbi Hillel taught Jesus to unite all mankind free!!! 1st: If I'm not for me, who am I? Nobody! 2nd: Yet, if I'm only for me, what am I? Nothing! 3rd: If not now, when?!!!! For we are All-One or None! As teach for 6000 years, the astronomer Abraham & Israel, since the year One! *LUSTEIN CHILDREN: ETERNAL FAIRER ETERNALLY ONE!!! *Exceptions eternally? Absolute None!!! Remember, the only difference between the brave man & the coward is the brave man has an ideal to fight for; teaching, friend & enemy the Moral ABC, that 6 billion strong instantly unite all mankind free with Bar-Bra-gone! Free by teaching only full truth, God's Law, Eternally One, All-One! By God's Blazing Comet, the Star of Israel-David-Bethlehem & Mohammed, Halley's Comet, 10 brave men get it done! Help teach All-One! Prison Lam not free." —Eugene V. Dubois
