Dr. Bronner's was founded in 1948 by Emanuel Bronner, a third generation German-Jewish soapmaker. He used the labels on his ecological soaps to spread his message that we must realize our transcendent unity across religious and ethnic divides or perish: "We are All-One or None!" The business continues to be run by his family.

Under one God, one all-embracing, everloving Eternal Father, we're all Sisters & Brothers! Exceptions eternally? Absolute none!

If you can keep your head, when all about you are losing theirs & blaming it on you; If you can trust yourself when all men doubt you, but make allowance for their doubting too; If you can wait and not be tired by waiting, or being lied about, don't deal in lies, or being hated, don't give way to hating! And yet don't look too good nor talk too wise: If you can dream—and not make dreams your master; If you can think—and not make thoughts your aim; If you can meet with Triumph and Disaster and treat those two impostors just the same; If you can bear to hear the full truth that you have spoken, twisted by crooks to make a trap for fools; Or watch the things you have given your life to, broken, and yet stoop to build them up again with worn-out tools; If you can make one heap of all your winnings, and risk it at one turn of pitch or toss; And lose and start again at your beginnings and never breathe a word about your loss! If you can force your heart, your nerve, your sinew, to serve you long after they are gone, and so hold on although there is nothing left within you, except that voice which says to them: "Hold on! Hold on!"

If you can talk to crowds & keep your virtue; or walk with Kings—nor lose that common touch; If neither loving friend nor enemy can hurt you; If all men count with you, but none too much! Then, if you can work hard to teach each unforgiving minute the Moral ABC that unites all mankind free, come hell, hate, ban, you'll enjoy God's Spaceship Earth & do great work within it! And which is more you'll help unite the human race in Astronomy's great All-One-God-Faith! For we're All-One or None! Sure, they say: "East is East & West is West & never the twain shall meet!" But there is neither East nor West, nor border, breed nor birth, once the Moral ABC unites all mankind free on God's Spaceship Earth! Then, and only then, no matter how rough the trip, how charged with punishment the scroll, you are the captain of thy ship! The master of thy soul! Then, these are the days my friend, we know they'll never end! We'll work-sing-dance-love, marching on! Marching on! We Live God's Law Today, We Win Free Speech OK! With full truth our only God, we rally-raise-unite, All-One! All-One!! All-One!!! Exceptions? None!!!

To dream that impossible dream! To reach that unreachable star, 'til pure-chaste from afar! To try when your arms are too weary to reach that how far! To fight for the Right without question or pause, to be willing to to my rest. For I know that all will be better for this: that one man, tortured, united All-One we are! To fight that unbeatable foe! To go where the brave dare not go! To right that unrightable wrong! To love unreachable star, 'til united All-One we are! For this is my goal: To reach that unreachable star, no matter how hopeless, no matter march into hell for a heavenly cause. For I know if I follow this glorious quest, that my heart will lay peaceful & calm when I'm laid blinded, covered with scars, still strove with his last ounce of courage, to reach that unreachable star, 'til united All-One we are!
