

Dr. Bronner's was founded in 1948 by Emanuel Bronner, a third generation German-Jewish soapmaker. He used the labels on his superbly formulated ecological soaps to spread his message that we must realize our transcendent unity across religions and ethnic divides or perish. "WE ARE ALL-ONE OR NONE!"

FROM HIPPOCRATES' ABC OF PERFECT HEALTH: Follow man: Hippocrates' ABC of Perfect Health is sworn since 400 B.C. to be practiced by each & every M.D. Hippocrates' ABC of Perfect Health is practiced since 300 B.C. by the Healthy Hunzas that enjoy 150 years of happy life without half-true hate & strife, teaching all living beings on God's Spaceship Earth how to give future generations a new Birth!

B. Balanced food ... is our real medicine, unifying all mankind free! **EXCEPTIONS? ABSOLUTE NONE!** Education, thru millions of years of constructive evolution to every swallow—nightingale—beaver—bear—cat and man, meant basic training in absolute cleanliness, honesty, self-discipline, teamwork, love, individualism and absolute understanding of God's timing, God's power, God's law and God's love. The highest point of our education was reached by the Essenes whose great teacher the great Rabbi Hillel taught "The Moral ABC of the Free, The Kingdom of God's law, and The God-Faith-In-One-God-State" to the 12-year-old Jesus upon entering manhood. Therefore we need the positive, constructive, fully true teachings of the Moral ABC to unite God's Spaceship Earth in Astronomy's eternally tremendous All-One-God-Faith!

Thank God we don't descend down from perfect Adam & Eve to sinful sinners, brother's keeper, div- working-trained-brave, from dust we ascend up!

FAIR TRADE AND ORGANIC COCONUT FLOUR & OIL

Traditionally used for oral care in India, Coconut Flour combined with Coconut Oil is a gentle, effective cleanser. Fair Trade and Organic Coconut Oil comes from our Serendipool project in Sri Lanka. Serendipool positively impacts over 1,000 farmers and staff and funds community-led projects to improve health, education and infrastructure. Serendipool proves that business can be socially responsible and environmentally sustainable.

DR. BRONNER'S CONSTRUCTIVE CAPITALISM

Dr. Bronner's believes in running a business that is good for its employees, society and the planet. As well as funding fair trade and organic projects, we dedicate a significant portion of our annual profits to funding positive social change. All full-time employees receive up to 25% of their salary as a bonus every year, get 15% of their salary as profit sharing for retirement, and have 100% free health care for themselves and their families. ALL-ONE!
