

ALL-ONE!

Dr. Bronner's was founded in 1948 by Emanuel Bronner, a third generation German-Jewish soapmaker. He used the labels on his superbly formulated ecological soaps to spread his message that we must realize our transcendent unity across religions and ethnic divides or perish! "WE ARE ALL-ONE OR NONE!"

FROM HIPPOCRATES' ABC OF PERFECT HEALTH: Follow man: Hippocrates' ABC of Perfect Health is sworn since 400 B.C. to be practiced by each & every M.D. Hippocrates' ABC of Perfect Health is practiced since 300 B.C. by the Healthy Hunzas that enjoy 150 years of happy life without half-true hate & strife, teaching all living beings on God's Spaceship Earth how to give future generations a new Birth!

B. Balanced food... is our real medicine, uniting all mankind free! **EXCEPTIONS? ABSOLUTE NONE!** Education, thru millions of years of constructive evolution to every swallow—nightingale—beaver—bear—cat and man, meant basic training in absolute cleanliness, honesty, self-discipline, teamwork, love, individualism and absolute understanding of God's timing, God's power, God's law and God's love. The highest point of our education was reached by the Essenes whose great teacher the great Rabbi Hillel taught "The Moral ABC of the Free, The Kingdom of God's Law, and The One-God-Faith-In-One-God-State" to the 12-year-old Jesus upon entering manhood. Therefore we need the positive, constructive, fully true teachings of the Moral ABC to unite God's Spaceship Earth in Astronomy's eternally tremendous All-One-God-Faith!

Thank God we don't descend down from perfect Adam & Eve to sinful sinners, brother's keeper, div- working-trained-brave, from dust we ascend up!
