Dr. Bronner's was founded in 1948 by Emanuel Bronner, a third generation German-Jewish soapmaker. He used the labels on his ecological soaps to spread his message that we must realize our transcendent unity across religious and ethnic divides or perish: "We Are All-One or None!" Emanuel Bronner passed away peacefully in 1997. The business continues to be run by his family.

Berlin Rabbi Baeck teaches, 1945, how united only do we survive: "The mark of a mature man is his ability to work creatively in order to love and be loved, joyful, brave, without feeling of guilt. We have learned to teach that or teach nothing! All else is unimportant!! I thank you!"
