Dr. Bronner's was founded in 1948 by Emanuel Bronner, a third generation master soapmaker from a German-Jewish soapmaking family. He used the labels on his superb ecological soaps to spread the message that we must make our transcendent unity across religious and ethnic divides or perish: "We Are All-One or None!" Emanuel Bronner passed away peacefully on March 7, 1997. The business continues to be run by the Bronner family. Dr. Bronner's believes in running a business that is good for its employees, society and the planet. As well as funding fair trade projects, we dedicate a significant portion of our annual profits to funding positive social change. All full-time employees receive up to 25% of their salary as a bonus every year, get 15% of their salary as profit-sharing for retirement, and have 100% free health care for themselves and their families. Love, when conquered after years of toil sweat & blood, love can strike like greased lightning sent by God to spark more dust to intensifying faith and create new love, faith-hope-gifts-strength as only Godliness, create the unity of the human race in Astronomy's Eternally Feminine All-One-God-Faith, as all mankind desire!!! As teaches for 6,000 years Astronomer Israel: "LISTEN CHILDREN ETERNAL FATHER ETERNALLY ONE!"
