 Dr. Bronner's was founded in 1948 by Emanuel Bronner, a third generation master soapmaker from a German-Jewish soapmaking family. He used the labels on his superb ecological soaps to spread his message that we must realize our transcendent unity across religious and ethnic divides or perish: "We Are All-One or None!" Emanuel Bronner passed away peacefully on March 7, 1997. The business continues to be run by the Bronner family.

Dr. Bronner's believes in running a business that is good for its employees, society and the planet. As well as funding fair trade projects, we dedicate a significant portion of our annual profits to funding positive social change. All full-time employees receive up to 25% of their salary as a bonus every year, get 15% of their salary as profit-sharing for retirement, and have 100% free health care for themselves and their families.
