PRESS RELEASE

Go Veganuary with Dr. Bronner's

Dr. Bronner's has a range of vegan friendly products for the entire household!

This January, join fair trade and personal care brand, Dr. Bronner's in kicking off the new year with compassion and kindness for Veganuary, a time to improve personal and home care routines with the choice of vegan and cruelty-free products!

Whether you are in need of a multi-purpose soap, a hydrating body lotion, a smooth shaving soap, or an all-purpose home cleaner, Dr. Bronner's offer a wide variety of personal care and hygiene products that are effective for a range of uses, and are safe for animals, people, and planet.

Dr. Bronner's products are never tested on animals and do not contain any animal products (excluding lip and body balms, which contain sustainable beeswax). Since 2013, Dr. Bronner's has donated over \$3.5 million USD to vegan and animal rights causes through its animal advocacy giving program. The program anchors efforts to protect animals, the earth, and human lives, in a diverse portfolio of philanthropic support. Dr. Bronner's grantees and partners utilise a variety of strategies to reduce the suffering and exploitation of non-human animals, increase public awareness, and create lasting change.

To encourage being kind to oneself and also to the environment, Dr. Bronner's Ireland have selected the following vegan-friendly products from the Dr. Bronner's range, so the transition this January is vegan-friendly without having to compromise!

To celebrate Veganuary, Dr. Bronner's Ireland is offering 10% off the Dr. Bronner's range for the month of January through their website, www.drbronner.ie. Vegan-friendly products from the Dr. Bronner's range include:

PRESS RELEASE

Helping to freshen breath, whiten teeth, and reduce plaque, the latest addition to the Dr. Bronner's Ireland range is Dr. Bronner's All-One Spearmint Toothpaste. This powerful formula is made with 70% organic ingredients, including fair trade and organic coconut oil, and organic coconut flour which aid as a natural polisher. Certified vegan and fluoride-free, the Dr. Bronner's Spearmint All-One Toothpaste contains no synthetic foaming detergents such as sodium lauryl sulphate, or synthetic flavors. Instead, hydrated silica and calcium carbonate act as gentle abrasives, organic aloe juice helps soothe gums, and organic spearmint oil and organic menthol crystals provide a refreshing, mint flavour.

Dr. Bronner's Organic Sugar Soap – Lavender 355mls - €14.50

The perfect addition for any household, the Dr. Bronner's Organic Sugar Soaps are smooth and luxurious with no synthetic detergents or preservatives. Extracting organic shikakai in organic sugar and organic grape juice, the Dr. Bronner's Lavender Organic Sugar Soap formula combines this with organic lavender and lavandin essential oils, as well as its unsurpassed pure-castile liquid soap base for a rich, emollient lather, and a moisturising after feel. The convenient pump bottle ensures less mess in the bathroom or kitchen!

Available in Lavender and four scents, including Peppermint, Unscented, Tea Tree, Lemongrass-Lime.

Dr. Bronner's Sal Suds Biodegradable Cleaner – from €15.95

The Dr. Bronner's Sal Suds is not a soap but instead is a concentrated hard-surface all-purpose cleaner, made from plant-based surfactants with natural fir needle and spruce essential oils, without any synthetic dyes, fragrances or preservatives. Sal Suds is the ultimate multi-purpose cleaner, great for just about any household task. As a 100% cruelty-free and biodegradable product, use a couple tablespoons for an average load of laundry, dilute with water to sponge down countertops or to mop your floor, or even mix with baking soda to make a powerful scouring agent for bathtubs and sinks.

organizations, requires independent audit for confirmation. Dr. Bronner's Castile Liquid and Bar Soaps do not contain animal products. Dr. Bronner's has also obtained vegan certification from Vegan Action for all offerings that contain no animal-derived ingredients (this excludes lip and body balms), and the company is registered with the Vegan Society in the U.K. Vegetarian and animal welfare advocacy are a core focus of Dr. Bronner's activism efforts.

About Dr. Bronner's

Founded in the U.S. in 1948, Dr. Bronner's is the top-selling natural brand of soap in North America and is a leading brand worldwide. The company produces a variety of natural body care and food products and is an independent, family-owned business based in California, committed to honoring the vision of founder Emanuel Bronner by making socially and environmentally responsible products of the highest quality, and by dedicating profits to help make a better world. Dr. Bronner's commitment to social justice, environmental sustainability, and progressive business practices is part of the company's mission to put into practice the "All-One" philosophy printed on the company's iconic soap labels. The company caps executive salaries at 5 times its lowest paid fully-vested position and donates all profits not needed for business development to causes and charities it believes in. Dr. Bronner's generated over \$190 million in revenue in 2020 and donated 40% of profits to activist and charitable efforts, totaling 8.6% of revenue. A bottle of Dr. Bronner's soap was sold, on average, every 1.51 seconds last year, and a bar of Dr. Bronner's soap was sold every 2.83 seconds.
